

We're turning our streets into an art gallery and we want you to join our club!

This year we'll be using themes and we can't wait to see your interpretations. Place your artwork (creativity of any kind) in a front window on the dates shown and keep it there for three days. Take a walk round our lovely neighbourhood that weekend and see what others have done get in touch via Instagram [@stretfordstreetartclub](https://www.instagram.com/stretfordstreetartclub).
